By

Artist Influence - J M W Turner

Turner is called 'The Painter of Light' due to his mastery in capturing the effects of atmosphere and light. He tied himself to the mast of a ship in order to observe a first-hand storm. *The Fighting Temeraire* was voted the British people's favourite

<u>Vocabulary</u>	<u>Definition</u>
Foreground	The part of a view that is nearest to the observer, especially in a picture or photograph.
Blend	Mix paint with another colour so that they combine together.
Mood	How the art, colour can make you feel.
