Parental Survey: Comments from Parents and Carers	
My son started in reception in September and has additional needs. The school have been amazing in supporting his transition and getting all support in place. The Teachers Mrs Macdonald, Mrs Adams, Mrs Sehmbi and all the staff treat my son with love, care and compassion. I am so happy and so is my son.	In my opinion, this is how the schools around the world should be. I'm more than happy that my kids are learning here. Outstanding teachers and headteacher. Thank you.
Excellent teaching staff. My child settled in very well. Well done to the head for all the hard work you and your staff put into school.	Have a Christmas Fayre /Summer Fayre
Keep up the good work.	We are really pleased with how our son has come on over the last few months. Mrs Macdonald, thank you very much.
Fabulous!	Need for car parking, problem
A great place for children to learn and achieve goals. Teachers are all amazing	Excellent school and staff!!
Good	My child is very happy at school
What has happened to residential?	Give more homework
Moved from another school to Blowers Green and have noticed an immediate improvement in child's confidence.	Would be good if there was a head lice policy. Children should NOT be in school until child's head has been treated!
The teachers in school are approachable. Excellent communication between parents and school.	My son is very happy when going to school from Monday to Friday because the people in authority are so caring, thanks and god bless.
